CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "*Outside Canada*".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

DÉFINITIONS ET TERMINOLOGIE

RÉGIME DE PENSIONS DU CANADA

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada»

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security are not included.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ne sont pas incluses.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moven versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

International Agreement

An agreement by which two countries agree to provide equal treatment to the residents of both countries under each country's laws on social security.

Country of Agreement

The country with which Canada has signed an Agreement on Social Security.

TABLE 20

Division of Pension Credits

Pension credits earned by one or both spouses during years of cohabitation divided equally between them when the relationship terminates.

TABLEAU 18

Accord international

Une entente par laquelle deux pays acceptent d'accorder à leurs résidants l'égalité de traitement lorsqu'il s'agit d'appliquer la loi pour la sécurité sociale propre à chaque pays.

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

Partage des crédits de pensions

Les crédits de pension acquis par l'un des conjoints, ou par les deux lors des années de cohabitation, peuvent être répartis également entre eux lorsque la relation se termine.

CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "Outside Canada".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security are not included.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale <u>ne sont pas incluses</u>.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moven versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

International Agreement

An agreement by which two countries agree to provide equal treatment to the residents of both countries under each country's laws on social security.

Country of Agreement

The country with which Canada has signed an Agreement on Social Security.

TABLE 20

Division of Pension Credits

Pension credits earned by one or both spouses during years of cohabitation divided equally between them when the relationship terminates.

TABLEAU 18

Accord international

Une entente par laquelle deux pays acceptent d'accorder à leurs résidants l'égalité de traitement lorsqu'il s'agit d'appliquer la loi pour la sécurité sociale propre à chaque pays.

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

Partage des crédits de pensions

Les crédits de pension acquis par l'un des conjoints, ou par les deux lors des années de cohabitation, peuvent être répartis également entre eux lorsque la relation se termine.

CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "*Outside Canada*".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security are not included.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles_prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale <u>ne sont pas incluses</u>.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moyen versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

RÉGIME DE PENSIONS DU CANADA

CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "Outside Canada".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security are not included.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale <u>ne sont pas incluses</u>.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moyen versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

International Agreement

An agreement by which two countries agree to provide equal treatment to the residents of both countries under each country's laws on social security.

Country of Agreement

The country with which Canada has signed an Agreement on Social Security.

TABLE 20

Division of Pension Credits

Pension credits earned by one or both spouses during years of cohabitation divided equally between them when the relationship terminates.

TABLEAU 18

Accord international

Une entente par laquelle deux pays acceptent d'accorder à leurs résidants l'égalité de traitement lorsqu'il s'agit d'appliquer la loi pour la sécurité sociale propre à chaque pays.

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

Partage des crédits de pensions

Les crédits de pension acquis par l'un des conjoints, ou par les deux lors des années de cohabitation, peuvent être répartis également entre eux lorsque la relation se termine.

CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "Outside Canada".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security <u>are not included</u>.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale <u>ne sont pas incluses</u>.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moven versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

International Agreement

An agreement by which two countries agree to provide equal treatment to the residents of both countries under each country's laws on social security.

Country of Agreement

The country with which Canada has signed an Agreement on Social Security.

TABLE 20

Division of Pension Credits

Pension credits earned by one or both spouses during years of cohabitation divided equally between them when the relationship terminates.

TABLEAU 18

Accord international

Une entente par laquelle deux pays acceptent d'accorder à leurs résidants l'égalité de traitement lorsqu'il s'agit d'appliquer la loi pour la sécurité sociale propre à chaque pays.

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "Outside Canada".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security are not included.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale <u>ne sont pas incluses</u>.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moven versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

International Agreement

An agreement by which two countries agree to provide equal treatment to the residents of both countries under each country's laws on social security.

Country of Agreement

The country with which Canada has signed an Agreement on Social Security.

TABLE 20

Division of Pension Credits

Pension credits earned by one or both spouses during years of cohabitation divided equally between them when the relationship terminates.

TABLEAU 18

Accord international

Une entente par laquelle deux pays acceptent d'accorder à leurs résidants l'égalité de traitement lorsqu'il s'agit d'appliquer la loi pour la sécurité sociale propre à chaque pays.

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

Partage des crédits de pensions

Les crédits de pension acquis par l'un des conjoints, ou par les deux lors des années de cohabitation, peuvent être répartis également entre eux lorsque la relation se termine.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security are not included.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ne sont pas incluses.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moyen versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

International Agreement

An agreement by which two countries agree to provide equal treatment to the residents of both countries under each country's laws on social security.

Country of Agreement

The country with which Canada has signed an Agreement on Social Security.

TABLE 20

Division of Pension Credits

Pension credits earned by one or both spouses during years of cohabitation divided equally between them when the relationship terminates.

TABLEAU 18

Accord international

Une entente par laquelle deux pays acceptent d'accorder à leurs résidants l'égalité de traitement lorsqu'il s'agit d'appliquer la loi pour la sécurité sociale propre à chaque pays.

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

Partage des crédits de pensions

Les crédits de pension acquis par l'un des conjoints, ou par les deux lors des années de cohabitation, peuvent être répartis également entre eux lorsque la relation se termine.

CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "*Outside Canada*".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security <u>are not included</u>.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2

Nouvelles prestations

Prestations versées pour la première fois. Le mois au cours duquel le premier versement est effectué peut être postérieur au mois d'entrée en vigueur de la prestation.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ne sont pas incluses.

TABLEAU 3

Montant brut

Représente les dépenses enregistrées au moment où les chèques sont produits par le système informatisé d'émission des chèques. Ces montants ne comprennent donc pas les plus ou moins-payés, les chèques retournés et les pièces de journal.

Les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale sont présentés sous la rubrique «autres» et ces renseignements ne peuvent présentement être distribués selon la province, l'âge, le sexe, etc.

TABLEAU 5

Montant moyen versé

La somme des prestations versées dans le mois, divisée par le nombre de prestations.

Ne tient pas compte des prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale ainsi que les sous-payées ou autres ajustements.

TABLE 18

International Agreement

An agreement by which two countries agree to provide equal treatment to the residents of both countries under each country's laws on social security.

Country of Agreement

The country with which Canada has signed an Agreement on Social Security.

TABLE 20

Division of Pension Credits

Pension credits earned by one or both spouses during years of cohabitation divided equally between them when the relationship terminates.

TABLEAU 18

Accord international

Une entente par laquelle deux pays acceptent d'accorder à leurs résidants l'égalité de traitement lorsqu'il s'agit d'appliquer la loi pour la sécurité sociale propre à chaque pays.

Pays de l'accord

Le pays avec lequel le Canada a signé un accord sur la sécurité sociale.

TABLEAU 20

Partage des crédits de pensions

Les crédits de pension acquis par l'un des conjoints, ou par les deux lors des années de cohabitation, peuvent être répartis également entre eux lorsque la relation se termine.

CANADA PENSION PLAN
RÉGIME DE PENSIONS DU CANADA

CANADA PENSION PLAN

DEFINITIONS AND TERMINOLOGY

Terms are defined under the first table in which they appear.

TABLE 1

Province

Province or territory of residence of the beneficiary. The beneficiaries living outside Canada appear in the category "*Outside Canada*".

Number of Benefits

Number of benefits paid in the month including benefits paid for the first time.

To obtain the <u>number of beneficiaries</u>, the number of combined pensions must be deducted from the "*Total*" column.

Others

Represents the benefits paid by the supplementary cheques system and under international agreements on social security which cannot, at this time, be distributed by province, age, sex, etc.

Combined Pensions

Persons receiving a survivor's pension may also be entitled to a retirement or disability pension based on their own CPP contributions. In these cases, the surviving spouse receives a combined survivor/retirement pension or a survivor/disability pension. These pensions are included in their respective category, as well as in the "Combined" category.

RÉGIME DE PENSIONS DU CANADA

DÉFINITIONS ET TERMINOLOGIE

Les termes sont définis sous le premier tableau dans lequel ils apparaissent.

TABLEAU 1

Province

Province ou territoire de résidence du bénéficiaire. Les bénéficiaires qui habitent à l'extérieur du Canada sont présentés sous la rubrique «à l'extérieur du Canada».

Nombre de prestations

Nombre de prestations versées dans le mois incluant les prestations versées pour la première fois.

Pour obtenir le <u>nombre de bénéficiaires</u>, le nombre de pensions combinées doit être soustrait de la colonne «*Total*».

Autres

Représente les prestations versées par le système de chèques supplémentaires et sous les accords internationaux de sécurité sociale qui ne peuvent présentement être distribuées selon la province, l'âge, le sexe, etc.

Pensions combinées

Les personnes recevant une pension de survivant peuvent aussi avoir droit à une pension de retraite ou d'invalidité d'après leurs propres cotisations au RPC. Dans ces cas, le conjoint survivant reçoit une pension combinée de survivant et de retraite ou de survivant et d'invalidité. Ces pensions sont déjà présentées dans leur propre catégorie ainsi que dans la catégorie «Combinées».

TABLE 2

New Benefits

Benefits paid for the first time. The month in which the first payment is issued may be later than the effective month of the benefit.

The benefits paid by the supplementary cheques system and under international agreement on social security are not included.

TABLE 3

Gross Amount

Represents the benefit expenditures recorded at the time the cheques are issued from the main computer cheque system. Therefore, these amounts are not taking into consideration over or underpayments, returned cheques and journal vouchers.

Benefits paid by the supplementary cheques system and under international agreements on social security are presented under the classification "other" and this information cannot, at this time, be distributed by province, age, sex, etc.

TABLE 5

Average Amount Paid

The sum of the benefits paid in the month, divided by the number of benefits.

Does not include benefits paid by the supplementary cheques system and under international agreements on social security as well as underpayments or other adjustments.

TABLEAU 2
